Dear Paul,

For over 3 decades, our families have provided life-long, loving memories for the thousands of travelers that enjoyed your Passion Play tours and accommodations at Hotel Wittelsbach Oberammergau in 1984, 1990, 2000, and 2010. It's our great pleasure to welcome you and your guests once again in 2020.

As you know, the hotel is conveniently located in the heart of Oberammergau and we strive to offer every comfort. Our cooks and staff are eager to provide the highest quality meals and service to your clients during their stay in our quaint village for a once-in-a-decade experience.

We look forward to our warm collaboration.

Sincerely,

Stefanie Termes, Owner
